PREAMBLE

This Agreement is entered into by and between the Board of Education of the Town of Portland, hereinafter referred to as the "Board", and the Municipal Employees Union Independent, Inc., hereinafter referred to as the "Union".

ARTICLE I – RECOGNITION

The Board recognizes the Municipal Employees Union Independent as the exclusive bargaining agent for all Registered Nurses, Licensed Practical Nurses, and Health Aides employed by the Portland Board of Education, excluding members of other certified bargaining units and those Supervisory and other employees excluded by the provisions of M.E.R.A.

ARTICLE II - UNION SECURITY

1. The Board shall provide the Union with electronic notification of the name, job title, department, work location, work telephone number, work email address and, if the employee consents, the home address of any newly hired employee within five (5) days of the date of hire. The Town will permit the Union up to one (1) hour of time to meet with new hires either during their employee orientation or during another mutually agreed upon time.
2. Upon receipt of a voluntary authorization form signed by the bargaining unit member, the Board agrees to deduct from the bargaining unit member's pay such membership dues, as may be fixed by the Union. An employee may withdraw from membership in the Union by giving written notice to the Union and the Board.
3. The Union shall supply to the Board written notice at least thirty (30) days prior to the effective date of any change in the rates of dues. In addition, the Union shall furnish the Board with a statement signed by the employee authorizing the Board to make dues deductions.
4. The deduction of Union fees and dues for any month shall be made during the applicable month and shall be remitted to the financial officer of the Union not later than the third Thursday of the following month. The monthly dues remittances to the Union will be accompanied by the list of names of employees from whose wages dues deductions have been made.
5. No dues will be deducted from an employee on sick leave who has exhausted accumulated sick leave or while collecting Workers' Compensation.
6. The Union agrees to indemnify and to hold and save the Board harmless against any and all claims, damages and suits that shall or may arise out of or by reason of any action taken by the Board for the purpose of complying with the provisions of this Article.

7. The Board shall provide each employee with a copy of the contract within thirty (30) days after the signing of the Agreement.
8. New employees shall be provided with a copy of this Agreement when they are hired.
9. Union representatives shall be permitted to enter any of the schools with approval of the building principal for the purpose of discussing, processing or investigating grievances.
10. The Board agrees to provide space on a bulletin board in each building under its supervision in which a member of the bargaining unit works, for the exclusive use of the Union.
11. The Employer agrees to voluntary payroll deductions for the Union's Political Action Fund. These deductions shall be kept consistent with federal and state law on this subject.

ARTICLE III - NONDISCRIMINATION

All provisions of this Agreement shall apply equally to all employees without discrimination on the basis of race, sexual orientation, color, creed or religion, sex, national origin, age, physical disability, or present or past history of mental disorder, political or labor affiliation, or other applicable unlawful discriminatory standard that may be enacted by the state legislature or the U.S. Congress.

Article III shall not be subject to the grievance procedure, as set forth in Article VIII.

ARTICLE IV – SENIORITY

1. The Board shall prepare a list of all employees covered by this Agreement, showing their seniority and length of service with the Board, and deliver the same to the Union office on October 1st of each year.
2. No employee shall attain seniority or other rights under this Agreement until s/he has been continuously on the payroll of the Board for a period of sixty five (65) work days. Work days shall be defined as days the employee attends work for his/her regularly scheduled work day.

During the probationary period, the employee may be terminated and will have no recourse to the grievance and arbitration clause of this Agreement. An employee who does not successfully complete her/his first sixty five (65) work days shall be entitled to a conference with the Superintendent or his/her designee to discuss the reasons for such failure. Upon successful completion of this period, the name of the new employee shall be added to the seniority list, with seniority commencing on the date of her/his employment as a Union bargaining unit member.

3. Seniority shall be defined as an employee's uninterrupted service with the Board within the bargaining unit from date of last hire, including all authorized paid leave, provided the employee returns to work immediately at the conclusion of such leave.
4. Seniority will not be broken by any authorized unpaid leave or layoff, but seniority will not accrue during an unpaid leave or layoff. Seniority will continue to accrue while an employee is receiving Workers' Compensation benefits.
5. If any illness or injury results in a disability that has prevented the employee from performing the essential functions of the position (with or without a reasonable accommodation) for a period of twelve (12) months or longer, the Board shall have the right to retire or discharge the employee.
6. Seniority will not be broken if an employee returns to her/his job within eight (8) weeks of authorized unpaid leave.

Seniority will be interrupted during further periods of authorized unpaid leave and will resume upon return to work if within the authorized leave period.

ARTICLE V - VACANCY

1. Job vacancy is defined as an opening created by a death, retirement, resignation, dismissal or a new position in the classifications listed in the salary schedule.
2. All job vacancies covered by this Agreement shall be posted within five (5) working days of the vacancy so created. Postings shall be in each school and at the office of the Board of Education for five (5) working days, and the Union office and Union Steward(s) will be notified of the vacancy. During the summer vacation, the Board will send notice to the Union office of any vacancy, and the Union will then notify the members of the bargaining group. No position shall be filled by a member of the bargaining unit until the posting period has closed. No position shall be filled from outside of the bargaining unit until the posting period has closed without the permission of the Union.
3. Employees desiring to bid on a job or apply for a transfer to a vacancy shall file an application in writing within the posted time limit.
 - a. Promotions and vacancies shall be filled first by management from within based on qualifications and seniority and secondly by qualified new applicants.
 - b. When candidates from within have essentially equal qualifications, seniority will prevail.
 - c. Employees, who file an application for promotion, transfer, and / or vacancy, will be interviewed prior to interviewing candidates from outside the bargaining unit.

ARTICLE VI - LAYOFF AND RECALL

1. Whenever a work force reduction in a classification is required, the reduction shall be made in the following manner: Bargaining unit employees shall be laid off in inverse order to their length of service with the Board, providing the employee has the qualifications to perform the work as called for in the job description.
2. In the event of a layoff the employee affected shall be allowed to replace the least senior employee in the bargaining group, regardless of classification, provided the replacing employee:
 - a. has more overall seniority than the employee s/he replaces, and
 - b. is capable of performing the duties as determined by the Superintendent or his designee.
3. The laid off individual's name shall be place on a recall list for a period of two (2) years subject to recall in order of seniority (from highest to lowest). However, a recalled individual shall have the right to be recalled at a later date to the classification from which s/he was laid off if a position should become vacant. The choice of employees to be rehired shall be based on seniority.

No person shall be newly employed in a classification that includes an individual on the recall list until all persons on the recall list in that classification have been notified by certified mail, sent to the individual's last known address, and such individual either is offered employment or declines such reemployment offer. It shall be the laid off individual's responsibility to notify the Superintendent of Schools of her/his current address and failure to do so will result in forfeiture of recall rights.

An individual who declines an offer of reemployment shall forfeit recall rights and lose all seniority. Failure to respond in writing to a notice of an opening within ten (10) working days after the mailing thereof shall be deemed to be a refusal to accept reemployment.

ARTICLE VII - PERSONNEL RECORDS

1. An employee covered hereunder shall be permitted, on her/his request, to examine and copy any and all materials in her/his personnel file. The Union may have access to an employee's records upon presentation of written authorization by said employee.
2. No new material derogatory to an employee hereunder shall be placed in her/his personnel file unless she/he has been provided an opportunity to review and sign the document (indicating receipt of such material) and has received a copy of such material. An employee shall have the opportunity to explain or file a rebuttal/statement to any material in her/his personnel file. Any such rebuttal/statement shall be attached to the material to which it pertains. If based on

the explanation or rebuttal/statement, a determination by the Superintendent is made in the employee's favor, the questioned material shall be expunged from the file.

3. Information not available for inspection by the employee shall not be used as evidence in any hearing or punitive action. This shall not apply to any information that is allowed under Connecticut General Statutes Section 31-128a.

- b. The time limits specified within this Article, except for the initial filing, may be extended by mutual agreement of the Union and the Board or its designee, provided that if a grievance is not submitted to a higher step in the above procedure, it shall be deemed settled on the basis of the answer in the last step considered.
- c. Failure by any administrator or the Board of Education to render his/her decision within the specified time limits shall be deemed a denial of the grievance, and the grievance shall proceed to the next level.

4. **Level One – School Principal/Immediate Supervisor**

- a. If an employee feels that s/he may have a grievance, s/he and or her/his Union Steward or Union Representative may first discuss the matter with her/his principal or other appropriate administrator in an effort to resolve the problem informally.

8. **Level Five – Arbitration**

- a. If the grievance is not resolved to the Union's satisfaction at Level Four, the Union may, at its option, submit the grievance to arbitration within fourteen (14) days of receiving the Level Four answer. - c. The cost of arbitration will be borne equally by the parties.
- d. The arbitrator will hear only one grievance at a time. This provision will not prevent the arbitrator from hearing a class action grievance. Neither will it prevent discussion of the arbitrability and the merits of the grievance at the same hearing.

9. A grievance may be initiated at the level where the incident giving rise to the grievance, first occurred. A class action grievance shall be submitted by the Union at the Superintendent's level.

ARTICLE XII - NO STRIKE OR LOCKOUT

The Union agrees that during the term of this Agreement, it shall not authorize, cause, engage in, sanction, or assist in any work stoppage, strike or slow-down of operations. As much advance notice as feasible under the circumstances will be given to employees concerning work year scheduling.

The Nursing Supervisor shall be responsible for scheduling nursing coverage of up to 1 additional day per school beyond the regular work year if necessary, with the prior approval of the Superintendent.

3. If training, meetings, or other professional activities have been previously scheduled to take place on days when students are scheduled for a one-half (½) day of school, employees will remain at work after students leave and shall be dismissed at their regular full school day dismissal time. If no such activities have previously been scheduled to take place on one-half (½) days of school for students, employees will be dismissed after the buses have left from the respective schools.

ARTICLE XVI - PROFESSIONAL DEVELOPMENT

1. In accordance with Connecticut Administrative Regulation 10-212-5, each employee will participate in at least ten (10) hours of professional development programs or activities approved by the Board of Education, in each two-year period. The employee may request from the Board of Education to attend courses offered anytime during the year, including the summer. The cost of such professional development programs or activities will be fully paid for by the Board of Education if permission is granted to attend the development program or activity.
2. If an employee is approved for a course or training session scheduled for a regularly scheduled work day, such leave from work to attend the course or training session shall not be deducted from the employee's personal or sick leave.
3. In each contract year, the Board will pay up to seven hundred dollars (\$700.00) for tuition for courses approved by the Superintendent prior to the course being taken by a nurse. In the event that the maximum cap is not sufficient to reimburse each applicant six hundred dollars (\$600.00) for one (1) course, the total cap expenditure for that contract year shall be divided equally among all applicants.

ARTICLE XVII - LEAVE PROVISIONS

1. All employees shall receive sick leave with full pay of fifteen (15) days per contract year with an accumulation of one hundred fifty (150) days of unused sick leave.

6. Any employee who is called for jury duty shall receive the necessary leave to fulfill this legal obligation. This leave shall not be deducted from sick leave or from personal days.
7. Upon retirement or death of any employee hired on or before July 1, 2019, who has completed ten (10) years of continuous service with the Board from his/her seniority date, she/he or the legal representative of his/her estate, shall be compensated with one-half (½) of her/his accumulated days of sick leave at full days' pay.
8. An employee who is disabled due to a non-work related injury and is unable to work due to such non-work related injury may use accumulated sick leave to cover the period of disability. The Superintendent, or the Business Manager, at the Superintendent's request, may require, at regular intervals, written certification from the employee's physician of continued disability.
9. The Board and the Union recognize that nurses are entitled to leave for maternity related disability in accordance with the law.
10. On the rare occasion when an employee with five (5) years of completed service with the Board may have an extended period of disability due to catastrophic illness or injury which extends beyond the amount of sick leave covered by the employee's accumulated sick leave and all other available leave time, that employee may request that the Board consider allowing other employees to donate up to five (5) days of accumulated sick leave per employee for use by the affected member. The donated days may be used exclusively by the applicant. Any unused, donated days will be forfeited. An employee may only request a sick leave donation one time during his/her employment. The Board's contribution toward the deductible will be deposited into the HSA accounts throughout the course of the contract year on a quarterly basis (on or about July 31st, October 31st, January 31st and April 30th).

The parties acknowledge that the Board's contribution toward the funding of the HDHP is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for actively employed employees. The Board shall have no obligation to fund any portion of the HDHP deductible for retirees or other individuals upon their separation from employment.

2. **Premium Share:**

The following premium share contributions shall apply:

July 1, 2022	19.0%

The Patient Protection and Affordable Care Act ("PPACA" has set forth and codified under Internal Revenue Code (IRC) §49801 the imposition of an excise tax related to employer provided health insurance plans that exceed certain value thresholds. Should any federal statute or regulation be mandated to take effect during the term of this Agreement triggering the imposition of an excise tax with respect to any of the contractually agreed upon insurance plans offered herein, the parties agree to commence mid-term negotiations in accordance with MERA. During such mid-term negotiations, the parties will re-open Article 11 for the purpose of addressing the impact of the excise tax. No other provision of the Agreement shall be re-opened during such mid-term negotiations.

4. **Insurance Waiver:**

In any contract year, an eligible employee may elect to waive all health insurance benefits set forth herein and in lieu thereof, will receive a payment of one thousand two hundred dollars (\$1,200.00). Employees who elect to waive health insurance coverage shall deliver proof of health insurance to the Superintendent of School prior to the 1st Friday of June of each contract year. Payment to those employees waiving coverage will be made in a lump sum, less applicable federal and state withholdings, for the applicable year not on the health plan. In cases of extenuating circumstances, the Employer may grant a revocation of the waiver. However, such revocation shall be at the sole discretion of the Superintendent of Schools.

Since waiver payments are based on and issued at the conclusion of a contract year, in order to be eligible for and receive the lump sum payment, the employee must be: (a) employed by the Board as of June 30th of the applicable contract year; and (b) the waiver must have remained in effect for the entire contract year.

Waiver payments shall be provided to employees in a separate check (or a separate direct deposit, as determined by the Board).

5. **Group Dental Coverage:**

Upon the expiration of the waiting period, the eligible employee will be provided with a monetary benefit of 66 2/3% of the employee's regular wages to a maximum of three thousand dollars (\$3,000.00) per month.

If an employee elects to increase the monthly benefit and if the plan permits, he/she will assume the additional cost.

8. **Change of Carriers/Funding Arrangements:**

In each case when the name of a particular company or specific plan has been used, the intent is to indicate a specific type of insurance benefit and not to establish a relationship with one particular company or any specific type of insurance benefit with other companies. The Board shall have the right to change insurance carriers administrators, or plans, in whole or in part, in order to provide the insurance coverage set forth below, provided that the plan(s) which result from change in carriers, administrators, or plans, or third party administrators are comparable to the plan(s) described below, in terms of coverage, benefits, and administration.

Prior to any change in insurance plans, administrators, or carriers, the Board shall notify and consult the Union. The representative of the insurance carrier/administrator shall meet with the representative of the Union to explain any proposed changes. If the representative does not approve of a proposed change as recommended by the Superintendent, he/she shall submit a written statement detailing the reasons for such disapproval specifically listing the reductions in the level of benefits, service or administration to which he objects. The Union must submit this written statement within thirty (30) days of meeting with the insurance representative. Failure to submit such statement within the thirty (30) day time period shall be deemed approval of the proposed plan and a waiver of any right to arbitrate the issue.

If the Union disapproves of any change pursuant to the written statement noted above, it may submit the issue to arbitration within fifteen (15) calendar days of receipt of notice from the Superintendent that the Board intends to implement the new plan. The sole substantive issue for the arbitrator shall be: Is the proposed insurance plan(s) comparable to the existing plan(s) in terms of benefits, coverage,

and administration? Arbitration in accordance with the rules of the American Arbitration Association shall be the exclusive method of deciding the above issue.

9. **Pension:**

Bargaining unit employees will be enrolled in a Town retirement plan that the employee meets the eligibility requirements (as determined by the provisions of the applicable Town retirement plan) upon the employee's date of hire.

Contributions by the Board and the employee shall be in accordance with the provisions of the applicable retirement plan.

ARTICLE XX - SALARY PAYMENT

- A. Paychecks will be issued on the first Friday after the start of the work year for nurses and every two weeks thereafter. Nurses may opt to receive 1/22 of their salary per paycheck or 1/26 of their salary per paycheck. In the latter case, the final four checks shall be paid in addition to the last paycheck in June. Nurses shall have the option of electing to have paychecks deposited electronically.
- B. All bargaining unit employees shall be paid via direct deposit. All remuneration owed to employees shall be paid via direct deposit. Bargaining unit employees shall complete necessary documentation in order for the Board to implement direct deposit.

ARTICLE XXI - UNION CONVENTION AND TRAINING

The Board shall, upon reasonable advance notice; permit one (1) Union designated employee to attend MEUI conventions or other Union functions each year for an aggregate maximum of eight (8) hours each year without loss of compensation.
