PREAMBLE

This agreement is made and entered into by and between the Board of Education of the Town of Canterbury, hereinafter referred to as the "Board", and the Municipal Employees Union Independent, Inc. hereinafter referred to as the "Union". This agreement is negotiated in order to affix the term of the agreement, wages, and other working conditions provided herein. Unless otherwise indicated, the term "Paraeducator" when used in this agreement shall refer to Paraeducators, Early Childhood Assistants (regular and special education), and Counselor Assistants.

1.2 Temporary Paraeducators who work less than ninety (90) consecutive days of a school year, who are hired to replace Paraeducators on authorized leaves of absence, are excluded from this Agreement.

1.3 The Board agrees to inform the Union about the creation of new jobs that might be appropriately classed in the bargaining unit.

ARTICLE 2

Management Rights

2.1 It is recognized that the Board has and will continue to retain, whether exercised or not, the sole and unquestioned right, responsibility, and prerogative to direct the operation of the school system in all aspects, including but not limited to the following:

- To determined the type of work to be performed by the personnel;
- To assign all work;
- To decide the methods, procedures, and means of conducting the work;
- To select, hire, and demote employees, including the right to prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work with the requirements of the Board provided such rules and regulations are made known in a responsible manner to the employees affected by them;
- To discharge or otherwise discipline any employee;
- To promote, transfer, and lay off employees;

In general, to control, supervise, and manage the operations of the school system and its staff under governing laws; to establish or continue policies, practices, and procedures for the conduct of Board business and the management of its operations, and from time to time, to change or abolish such policies, practices, or procedures. These rights, responsibilities, and prerogatives are not subject to delegation in whole or in part, except that the same shall not be exercised in a manner inconsistent with or in violation of the specific terms and provisions of this agreement.

ARTICLE 3 **Union Security and Rights**

3.1 Notice of New Hire/Orientation. The Board shall provide the Union with electronic notification of the name, job title, department, work location, phone number, home address, and email address, if available, of any newly hired employee within five (5) days of the date of hire.

3.2 Upon receipt of a voluntary authorization, signed by the employee the Board agrees to deduct from the pay of such employee membership dues as may be fixed by the Union. Such deductions shall continue for the duration of the agreement or any extension thereof. An employee may withdraw from membership in the Union by giving written notice to the Union and the Board, which notice must be received or postmarked within the period of June 1 to June 15, inclusive, in any calendar year in which the agreement is in effect.

3.3 The Union shall supply to the Board written notice at least thirty (30) days prior to the effective date of any change in the rates of fees and dues.

3.4 The deduction of Union fees and dues shall be made during the applicable pay periods and shall be remitted to the financial officer of the Union no later than the third Thursday of the following month. The dues and/or service fees remitted to the Union will be accompanied by the list of names of employees from whose wages dues deductions have been made. The Board agrees to voluntary payroll deductions for the Union's political action fund. These deductions shall be consistent with federal and state law.

3.5 No dues or fees will be deducted while an employee is on unpaid leave or while collecting workers' compensation.

3.6 The Board agrees to provide space on bulletin boards in each building under its supervision, in which a member of the bargaining unit works, for the exclusive use of the Union.

3.7 The Union representative and/or steward shall be permitted, with the permission of the building Principal or the Superintendent of Schools, to enter any of the schools for the purpose of discussing, processing, or investigating grievances or for filling the Union's role as bargaining agent in accordance with school policy. Any Union representative or steward who enters buildings must comply with all safety rules and procedures promulgated by the school and shall not interrupt the workforce or the delivery of educational services in any manner.

3.8 The Board shall provide each employee with access to an electronic copy of the contract within thirty (30) days after the signing of this agreement. New employees shall be provided with access to an electronic copy of this agreement within thirty (30) days of being hired.

3.9 Employees shall have the right to request Union representation at conferences where discipline under Article 15 is likely to result. Such meetings shall be scheduled so as not to conflict with the employee's regularly scheduled workday, although the parties may mutually agree to meet at another time. Any employee requested to stay beyond her/his workday shall be compensated at the regular hourly rate.

3.10 The Union shall indemnify and hold the Board harmless from any and all demands, suits, complaints and claims, including reasonable attorney's fees caused by or arising out of the administration or enforcement of this article.

3.11 The Union may use school buildings without cost for meetings, with advance notification to and authorization of the principal superintendent of the school to be used. Such authorization shall not be unreasonably withheld.

ARTICLE 4

Job Assignment and Hours of Work and Overtime

4.1 Paraeducators shall be compensated for all assigned work according to state statute.

- a. Straight time will be paid for all hours worked up to and including forty (40) hours per week.
- b. All work authorized to be performed in excess of forty (40) hours worked per week shall be paid at time and one-half.
- c. Double time shall be paid for work on Sunday and holidays as established by this contract. Time and one half shall be paid for work on Saturday as established by this contract.
- d. Work above and beyond the normal work schedule may be assigned when management determines necessary. Where the overtime applies to the extension of a particular Paraeducator's duties, preference will be given to that Paraeducator. If the Paraeducator to whom the overtime applies cannot take the additional work, offers for overtime will be given based on the following criteria: 1) experience with a student (when applicable), 2) experience within the building/age group (when applicable), 3) seniority, provided the employee has the competency to perform the task.
- e. All employees will be notified of any summertime work in writing and applicants will be selected by seniority, provided the employee is qualified for the position.

4.2 Paraeducators shall be told prior to the end of the school year whether or not the Board anticipates the continuance of their position. If not, layoff and recall procedure shall be followed. The initial confirmation shall include tentative building assignment and length of workday. Confirmation of changes in the above, if any, will be provided by the building principal by the last

day of school. It is recognized that the needs of the school might change when the schools open.

4.3 During the school year or during the summer, except for emergency situations, employees shall be notified in person of schedule changes or changes in work location at least two (2) weeks in advance. This time frame may be reduced by mutual agreement. If unable to reach an employee by telephone to schedule the personal meeting, a communication in writing shall be sent requesting a personal meeting. A copy of the notice of change will be sent to the Union.

4.4 All employees working five and three quarter (5¾) hours shall be entitled to a paid thirty (30) minute uninterrupted lunch. Employees working over four (4) hours but less than five and three quarters (5 3/4) shall be given a paid fifteen (15) minute break.

4.5 New hires will be provided with a salary notification form, including building and job assignment, and all existing relevant written materials (i.e. staff and student handbooks, emergency operations plan, fire drill diagram, welcome packet, etc.) within two (2) weeks of hire, plus a job description.

4.6 No employee shall be assigned to the same student for more than two years, except if the para has special qualifications, a unique skill set, or there is mutual agreement of the assignment.

ARTICLE 5

Seniority

5.1 Seniority for the purpose of this agreement is defined as the total length of an employee's most recent period of continuous service in the bargaining unit, including all authorized paid leave, providing the employee returns to work immediately at the conclusion of such leave. Seniority and seniority rights will not be accrued during an unpaid leave of absence or layoff, but such rights will not be lost by the employee because of such leave.

5.2 The Board shall prepare a list of all employees covered by this agreement showing their seniority in length of service with the Board and electronically deliver the same to the Union office by October 1 of each year. Upon completion of their probationary period, new employees shall be added to this list. If no mistakes are brought to the attention of the Board by November 1, the list shall be considered conclusive.

5.3 A newly hired employee shall be on probation for a period of ninety (90) calendar days and may be terminated by the administration in its sole discretion for any reason whatsoever, and neither the employee nor the Union, on her/his behalf, shall have recourse to the grievance or arbitration provisions of this agreement.

5.4 Seniority shall terminate

- a. upon voluntary resignation or retirement;
- b. upon discharge;
- c. upon the expiration of recall rights after two (2) years of layoff or failure to

respond to a recall opportunity.

5.5 An employee hired to fill a position of a Paraeducator on leave and who subsequently is hired into that regular position (with no break in service) will have her/his seniority and probationary period count from initial date of hire.

5.6 The Union steward who has been employed for at least six (6) months shall be deemed to have highest seniority for purposes of selection for layoff.

ARTICLE 6

Vacancy

6.1 Job vacancy is defined as an opening within the bargaining unit or a new position that might be appropriately classified in the bargaining unit.

6.2 The matter of filling job vacancies covered by this agreement shall be solely within the control of the school administration in accordance with the terms of this section. When two (2) or more applicants are substantially equal in qualifications, in the reasonable judgment of management, the applicant with the greatest seniority shall be appointed to the position.

6.3 All job openings covered by this agreement shall be dated and posted in each school for five (5) working days. All postings shall include total weekly hours for the posted position. A copy will be given to the Union steward, and the Union will be notified of the vacancy by email. If a vacancy occurs during the summer recess, the Union will be notified by mail at least ten (10) days before the closing date for the application.

6.4 Employees desiring to bid on the job shall file an application in writing within the posting time limit.

6.5 In filling vacancies, consideration shall be given first to the present staff on the basis of seniority and/or transfer requests, provided the employee is qualified for the position. If an employee is hired from outside the work force, the Board will notify the Union in writing at the time of the appointment of the new employee.

6.6 If an involuntary transfer is necessary to fill a position, the involuntary transfer shall not reduce an employee's regularly scheduled hours.

6.7 Paraeducators who desire another assignment shall file a written statement of such desire with the superintendent and a copy to her/his immediate supervisor. Such statement shall include the assignment(s) to which the Paraeducator desires to be reassigned. The assignment and transfer of Paraeducators is the responsibility of the building principal and special education director. However, the wishes of the Paraeducators will be honored to the extent that these considerations do not conflict with the instructional requirements and best interest of the school system and the pupils.

ARTICLE 7
Layoff and Recall

7.1 Whenever a reduction in work force is required, the reduction shall be made in the following manner: first probationary and temporary employees, and then permanent employees shall be laid off in inverse order of seniority with the Board except in cases of demonstrating a unique skill set.

7.2 Whenever a recall of employees is required, the recall shall be made in the inverse order of placement on the recall list, so long as the employee is qualified for the vacant position. Recall period shall be no longer than twenty-four (24) calendar months.

7.3 In the event of a layoff an employee who has more seniority may bump an employee with less seniority, provided that the employee with more seniority is qualified for the assignment of who he/she is bumping.

7.4 An employee who has been laid off and subsequently rehired within the recall period shall have her/his sick leave and seniority at the time of layoff restored.

7.5 In the event of a budgetary problem necessitating the possible layoff of Paraeducators, the Board will notify the Union prior to any notification of employees. The Paraeducator being laid off shall be notified in writing at least two (2) weeks before the layoff.

7.6 Employees on the recall list shall notify the superintendent's office of address changes. Notice of recall shall be sent to the last known address of the employee, return receipt requested, at least seven (7) calendar days before she/he must begin work.

7.7 Refusal of Work. In the event an employee refuses to return to work when recalled, her/his name will be removed from the list.

7.8 Failure to Respond. All rights under this article shall terminate upon failure to respond within seven (7) calendar days of receipt and the employee's name will be removed from the list.

7.9 An employee who is rehired after the elimination of her/his position or a layoff shall be placed at the same step on the pay scale as the employee was before separation.

7.10 Employees on the recall list shall be given first opportunity for available substitute work providing the individual is qualified.

ARTICLE 8
Personnel Records

8.1 An employee shall, on her/his request, be permitted to examine and copy any and all materials in her/his personnel file. The Union may have access to any employee's records upon presentation of written authorization by the appropriate employee.

8.2 No written evaluations or negative or derogatory material concerning an employee shall be placed in her/his personnel file without notice to the employee. Delivery of a copy to an employee marked "cc: personnel file" shall be adequate notice.

8.3 An employee may attach a comment to material in her/his personnel file with which she/he disagrees, which will be kept in the personnel file.

ARTICLE 9 Leave Provisions

9.1 Sick leave. Employees shall receive eleven (11) paid sick days with a maximum accrual one hundred (100) days. Each employee shall be notified of her/his accumulated sick leave by June 30 of each fiscal year. Sick leave may be used in the following cases:

- a. Personal illness;
- b. Enforced quarantine of the employee in accordance with community health regulations;
- c. Up to ten (10) days per year for illness of a member of the immediate family or a family member living in the employee's home, and that requires the employee's presence.
- d. For sick leave greater than three (3) days' duration, if in the judgment of the Superintendent or her/his designee, there is evidence of sick leave abuse, a physician's statement verifying an employee's illness may be required.

9.2 Leaves for temporary disability. Whenever employees are disabled because of illness, injury, or reasons of maternity, they are entitled to accumulated sick leave for the period of actual disability.

Following childbirth or other medical procedure, medical documentation of the duration of the disability may be required. When an employee is considered able to return to work, she/he shall provide documentation indicating the date said employee may resume work.

9.3 Personal leave. Employees shall receive a total of four (4) personal days for (i) personal business that cannot be transacted outside of regular work hours; (ii) legal obligations; or (iii) religious holidays which require absence during work hours. Personal days are not cumulative. Personal leave may be used as follows:

- a. Days may not be taken in a continuous manner except with the approval of the Superintendent.
- b. An employee requesting personal leave must submit this request to his/her immediate supervisor at least forty-eight (48) hours in advance, except in cases of emergency, where an employee requesting leave must notify his/her supervisor as soon as possible. The granting of personal leave is contingent upon maintaining appropriate staffing levels in the district, as determined by the Superintendent or designee. The employee must indicate the reason for which the leave is being requested.

c. Other days without salary deduction in cases of emergency or hardship may be granted at the discretion of the superintendent.

d. Personal days shall not be used to extend a holiday or vacation. Except in the case of an emergency, requests for personal days that are immediately before or after a holiday or vacation period must be approved in advance by the Superintendent.

e. Absences for any reason not covered by the above provisions and permitted by the superintendent shall result in loss of wages for each day not worked. Such absences shall be reviewed on a case-by-case basis.

9.4 Bereavement leave.

a. In the event of a death in the immediate family of the employee, such employee shall receive five (5) consecutive work days' absence with pay.

b. Additional bereavement time may be granted by the superintendent. Such time shall be paid leave and will be at the sole discretion of the superintendent.

c. Immediate family is defined as husband, wife, father, mother, step-parent, sister, brother, step-sister, step-brother, grandparent, father-in-law, mother-in-law, sister-in-law, brother-in-law, child, or stepchild, or any relative who is a member of the employee's household.

d. In the event of a death outside the immediate family of the employee, such employee shall receive paid time off (up to one full workday per incident) as necessary to attend the funeral/wake. Advance notification must be given to the immediate supervisor for an employee to receive pay for the hours of work they miss. Two additional days may be taken if necessary without pay. The employee must notify the supervisor of their intent to take unpaid leave as soon as possible.

9.5 Military leave. Military leave shall be granted in accordance with Connecticut General Statutes.

9.6 Jury duty. An employee shall notify her/his supervisor upon receipt of the notice of jury call. Employees shall be entitled to full pay at their base rate for absence because of jury duty, less the fee paid with respect to such jury duty. In order to be eligible for full pay, an employee who is dismissed from jury duty before 12:00 p.m. shall return to work.

9.7 Leave of absence. Upon exhaustion of sick leave, an employee may request an unpaid leave of absence, with the employee providing appropriate medical documentation of the need for the request. Such leave shall be granted with his/her position held for sixty (60) days.

An employee may request a leave of absence for other reasons, or for additional leave time, with the position held or not held, subject to the approval of the Superintendent. Such requests shall be in writing to the superintendent and requests for over sixty (60) days are subject to final approval by the Board.

9.8 Separation of Service. Upon completion of a minimum of ten (10) years of continuous service with the Board, and if the total of years of service plus the person's age equals at least sixty (60), she/he or the legal representative of her/his estate, shall be compensated at the employee's applicable wage rate for thirty-five percent (35%) of the total accrued and unused sick leave.

9.9 Workers' compensation. Workers' compensation leave, as distinguished from sick leave, shall mean leave given to an employee due to absence from duty caused by an accident or injury that occurred while the employee was engaged in the performance of her/his duties.

The Board covers all employees with workers' compensation insurance which pays an eligible employee a percentage of her/his earnings during the period of absence.

The difference between her/his workers' compensation and her/his current straight-time wages shall be provided by the Board for a total period not to exceed thirty (30) days. An injured employee shall be eligible for the differential pay only if the injury was not the result of the employee's negligence. Said amount shall be payable at the time benefits are paid by the compensation carrier and in accordance with the procedures, rules, and regulations of the Board and carrier.

In exceptional cases the Board may grant additional injury leave beyond the original thirty (30) days, upon request of the employee and analysis of the individual case. If the Board refuses to grant additional injury leave beyond the original ninety (90) days, an employee may elect to use a portion of sick leave.

An employee may request the use of her/his sick leave while awaiting workers' compensation payments. When the compensation check is paid, it will be sent to the Board, who will audit the time and make the necessary adjustments.

9.10 When school is closed due to inclement weather or other emergencies, and when such days are made up, paraprofessionals will be paid for a full day of work, provided they stay and work.

9.11 Payment of a sick day(s) or personal day(s) will be based on the employee's daily work schedule.

ARTICLE 10
